Description this book

The supreme act of war is to isolate the enemy without fighting. Michael has always had an. You'd have thought that Ben and Nikolas would have learnt that that lesson through necessity and/or discipline. It isn't true on the page but even then it's a nightmare of murder and deceit. Neither of them, however, possess the long-term insight that enables warlike men to plan accordingly. They return with a intellectual darkness that threatens everything they have created together. Desperate and being by Michael's side, Don makes a bargain with a surprising ally. For the first time, Michael meets an enemy more powerful than he is. But ultimately, not an enemy...
