LENT PHOTO A DAY 

WHAT IS LENT?
Lent is a season of preparation and repentance during which we prepare the way for the celebration of Easter. Lenten practices of prayer, fasting, and giving help us to grow in our relationship with God and to live more fully in the love of God. Lent is a time of reflection and prayer that gives us a deep and powerful longing for the resurrection of our Savior.

Why forty days? The number forty carries great biblical significance based on the forty days of Lent and the forty years that Israel spent in the wilderness. About forty-day fast in the wilderness, the forty days about which the apostle Paul wrote in his epistles, and through which many have been led by God to experience a period of trial, testing, and preparation.
