## Available link of PDF Youth At Risk Meeting The Sexual Health Needs Of Adolescents Questions And Answers

• As many schools do not provide any information about contraception regardless of whether students are sexually active or at risk, pediatricians should consider presenting material at the school.  
• The American College of Obstetricians and Gynecologists publishes the *Adolescent Sexuality Kit: Guides for Professional Involvement*. This series addresses AIDS, date rape, contraceptive options, and other topics that may be useful to pediatricians who plan to provide sexuality education.
